OUR PARTNERS

“Step into a World of **Knowledge,**
Innovation &
Limitless Possibilities.”

WELCOME MESSAGE

At RPS, we believe every child deserves an environment where learning thrives and potential is carefully nurtured. Our school is a vibrant community where academic excellence, creativity, and character development come together to shape confident and capable learners.

Guided by a team of dedicated and compassionate educators, we offer a supportive and inspiring learning environment that encourages curiosity, innovation, and holistic growth. Our balanced approach to education emphasises not only strong academics but also values, life skills, and all-round development, preparing students for success beyond the classroom.

At RPS, students are encouraged to discover their strengths, develop leadership qualities, and grow into responsible global citizens who are ready to meet future challenges with confidence.

Join us on this meaningful educational journey and take the first step toward shaping a successful future for your child.

ABOUT US

Founded on a vision to enlighten young minds, Raunaq Education Foundation (REF) proudly carries forward the visionary legacy of Late Shri Raunaq Singh, who believed that education is the most powerful force for building a better tomorrow.

Founded in 1971, Raunaq Public School (RPS) stands as a premier educational institution committed to the pursuit of excellence. With a rich legacy spanning decades, RPS offers a spacious, safe, and state-of-the-art campus that inspires students to explore, learn, and achieve their full potential.

At RPS, we believe that education is not merely preparation for life—it is life itself. Guided by our philosophy **“Educate • Innovate • Create”**, we offer a forward-looking curriculum that balances academic rigour with strong character building, nurturing confident, compassionate, and lifelong learners ready to thrive in a dynamic world.

Our Core Values

We strive to instil in every child the values that shape responsible global citizens:

- Integrity
- Excellence
- Responsibility

While we recognise that perfection is a journey, our unwavering commitment lies in the continuous improvement of teaching, learning, and student well-being. At RPS, every child is guided with care, inspired with purpose and empowered to succeed.

OUR MISSION

Our mission is to nurture students with active and creative minds, a deep sense of understanding and compassion for others, and the courage to act on their beliefs with integrity and confidence.

We are committed to the holistic development of every child, emphasising growth across all dimensions—spiritual, moral, intellectual, social, emotional, and physical—to prepare them for meaningful lives as responsible individuals and global citizens.

OUR VISION

RPS International envisions a happy, caring, and stimulating learning environment where every child is encouraged to recognise and achieve their fullest potential, enabling them to make meaningful and positive contributions to society.

OUR EDUCATIONAL PHILOSOPHY

“Children must be taught how to think & what to think.”

Academic Excellence through Collaboration

At RPS, we believe education is a journey of discovery, innovation and purposeful growth. Guided by our philosophy “**Educate • Innovate • Create,**” we nurture young minds in an environment that balances academic excellence, values and real-world readiness.

Our educational approach emphasises the holistic development of every child—intellectual, emotional, social, moral & physical. Learning at RPS goes beyond classrooms, encouraging students to think critically, communicate confidently, and develop empathy, resilience and leadership skills, essential for success in dynamic world.

To enrich learning experience and provide meaningful exposure, we collaborate with leading educational partners who bring expertise and innovation into our curriculum. **Mystic Land**, enables experiential and exploratory learning, fostering creativity and curiosity. **Mindler**, supports structured career guidance and aptitude development, helping students identify strengths and make informed future choices. **Aviotron Aerospace**, introduces students to aviation and aerospace concepts, inspiring innovation and scientific curiosity, while **Health Set Go**, supports fitness, healthcare and overall student well-being. **Anyboli Class**, is indian tech company, providing AI powered personalised training for K12 students.

Through these meaningful collaborations, RPS ensures that students are equipped with knowledge, skills and experiences that prepare them to excel academically and thrive as confident, future-ready global citizens.

INFRASTRUCTURE

Classrooms

At RPS, we believe an inspiring environment shapes inspired minds. Our ultra-modern, climate-controlled classrooms are designed to promote focus, comfort and creativity. These spaces equipped with integrated audiovisual technology transform complex ideas into engaging learning experiences. They are dynamic ecosystems where curiosity thrives and learning comes alive.

“Future-Ready Learning Classrooms”

Library

A great library is the ultimate tool for success. At RPS, our state-of-the-art library is thoughtfully curated and meticulously organised to inspire curiosity and expand knowledge across all disciplines.

Designed as a quiet and focused learning space, the library encourages concentration, critical thinking, and independent exploration—supporting students in developing strong reading habits and research skills.

“A Gateway to Knowledge”

Labs

RPS offers comprehensive laboratories across all streams, including Physics, Chemistry, Biology, Geography, 3D and more, to support hands-on and inquiry-based learning. Our modern, well-equipped lab facilities provide students with opportunities to observe, experiment, and analyse—effectively bridging theoretical concepts with real-world application.

By encouraging exploration and experimentation, our laboratories nurture scientific temper, creativity, and problem-solving skills. These dynamic learning spaces enable students to transform abstract ideas into meaningful insights, preparing them for academic excellence and future innovation.

“Where Curiosity Becomes Discovery”

Transport

At RPS, we view the daily commute as an extension of our learning environment; therefore, our school transport system ensures safe, punctual, and stress-free travel. Modern buses are equipped with GPS tracking, CCTV surveillance, trained drivers, attendants, and emergency response protocols, providing complete security and peace of mind for parents and students alike.

“Safety & Precision in Motion”

Dance Studio

At RPS, our dance studio provides a safe, spacious, and well-equipped environment where children can learn, express themselves, and develop confidence through movement. The studio features a mirrored sprung floor, specially designed to reduce impact and ensure comfort and safety during practice.

Students are introduced to a variety of dance forms, including Classical, Contemporary, Folk, Hip Hop, and Western styles, allowing them to explore age-appropriate rhythm, coordination, and creativity under the guidance of experienced and qualified instructors who focus on proper technique, discipline, and creative expression.

“Dance Builds Confident Minds”

Art Studio

Our art studio is a vibrant and inspiring space where students explore imagination and develop artistic skills. Equipped with comprehensive fine arts materials, including resources for senior classes, the studio encourages experimentation with various techniques and mediums under the guidance of skilled instructors. Children develop artistic skills, fine motor coordination, and confidence while learning to appreciate art as a meaningful and enjoyable form of expression

“Creativity Begins With Imagination”

Music & Recording Studio

Our music room is a nurturing space where students explore and develop their musical talents in a calm, focused environment. Equipped with state of the art instruments, soundproofing, and a dedicated recording studio, it supports both vocal and instrumental training.

Under the guidance of experienced music instructors, students learn and perform across classical, contemporary, and folk genres, while gaining exposure to music composition, recording, and basic sound production, enhancing creativity and confidence.

“Where Every Note Finds its Voice.”

Robotics and Aeronautics Lab

Our state-of-the-art Robotics, Aeronautics & Drone Lab is a dynamic innovation hub where students explore robotics, coding, artificial intelligence, aeronautics, and drone technology. Designed for hands-on, project-based learning, the facility equips learners with practical skills, problem-solving abilities, and future-ready technological expertise.

“Empower Your Future with Robotics!”

SPORTS AT RPS

**“WHERE DISCIPLINE MEETS
PASSION AND CHAMPIONS ARE
CREATED.”**

At RPS, we believe the playing field is where leaders are forged. Spread across a magnificent 7-acre sports field, our comprehensive sports ecosystem is designed to transform passion into prowess and talent into excellence.

With over 10 specialised sporting arenas, RPS offers an unmatched blend of traditional discipline and modern athleticism. Sports at RPS go far beyond a curriculum—they are an integral part of our DNA, nurturing resilience, teamwork, and leadership.

Our Sporting Ecosystem

Football | Cricket | Basketball | Volleyball | Kho Kho | Badminton

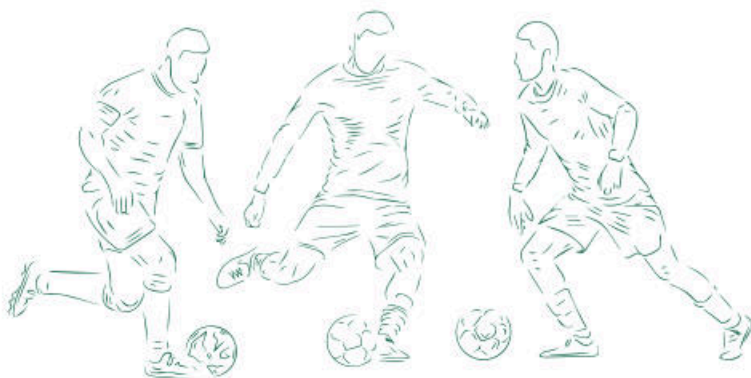

Combat & Precision Sports

Taekwondo | Kabaddi

Niche & Performance Sports

Skating | Archery | Rockball | Handball

CO-CURRICULAR LIFE

**“BEYOND ACADEMICS. BUILDING
CONFIDENCE FOR LIFE”**

Our **Cultural Activities Programme** nurtures **creativity, confidence, and teamwork** through dance, music, drama, and inter-school competitions. Students build stage presence, public Speaking and collaboration skills while showcasing **award-winning performances at school, district, and inter-school platforms**. These enriching experiences help students grow into well-rounded individuals with cultural awareness, a love for learning, and a lifelong appreciation for the arts.

NATIONAL CADET CORPS (NCC)

At RPS, the National Cadet Corps (NCC) plays a vital role in shaping disciplined, confident, and socially responsible students. Through structured training under the Army Wing and Air Wing, NCC instils leadership qualities, patriotism, and a spirit of service, preparing students for challenges both within and beyond the classroom.

NCC – ARMY WING

The NCC Army Wing at RPS develops discipline, leadership, and physical fitness while nurturing a strong sense of patriotism and responsibility. Cadets receive training in drill, fieldcraft, map reading, disaster management, and adventure activities, building confidence, teamwork, and mental resilience. Through camps and social service initiatives, students learn the values of unity, courage, and service to the nation.

NCC – AIR WING

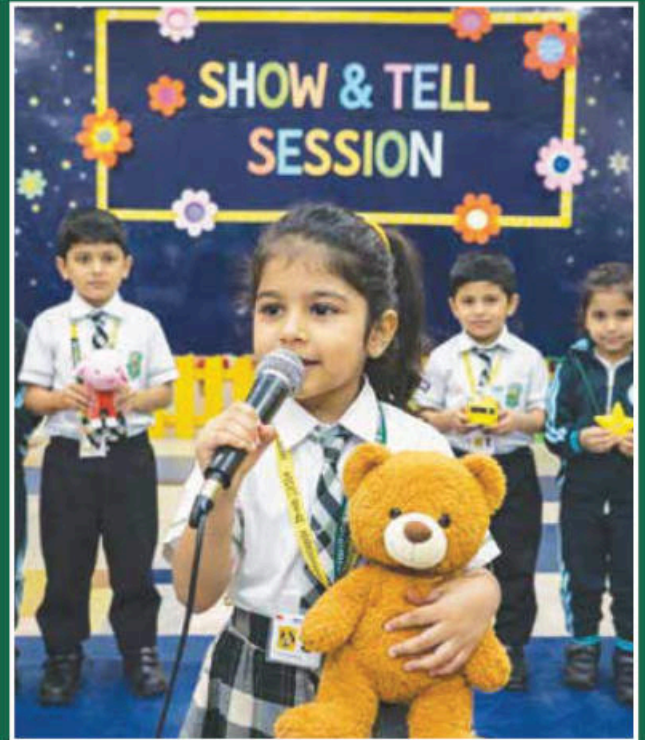

The NCC Air Wing at RPS introduces students to the exciting world of aviation and aerospace. Training includes aeromodelling, aircraft knowledge, air navigation basics, and meteorology, fostering scientific thinking and technical awareness. The Air Wing inspires discipline, precision, and aspiration, laying a strong foundation for careers in aviation, defence services, and aerospace fields.

ACTIVITY AREA PRE-PRIMARY WING

**“WHERE LITTLE BEGINNINGS
GROW INTO CONFIDENT FUTURES”.**

The early years are a precious time when children take their first steps into learning beyond home. At **RPS International**, our **Pre-Primary Programme** offers a safe, joyful, and nurturing environment where every child feels **loved, valued, and confident**. Through an **NEP-aligned, play-based and experiential curriculum**, children learn naturally developing language, early numeracy, motor skills, creativity, and social-emotional strength. Guided by caring, trained educators, our programme gently supports curiosity and independence, building strong foundations for formal schooling while nurturing a lifelong love for learning.

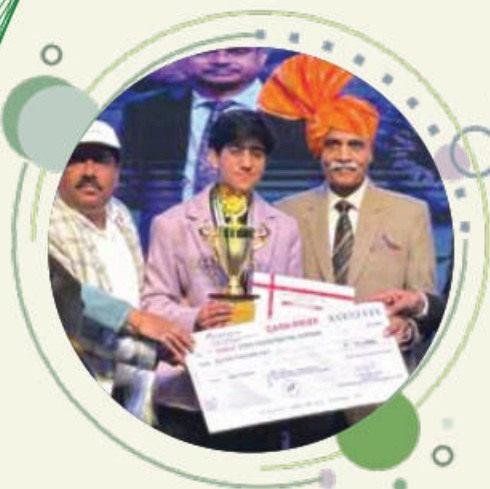

“Nurturing Minds, Hearts & Skills.”
